

March 12, 2020

Dear Parents,

As you know the Administration and Board of Education of the Westmoreland Central School District have implemented protocols for dealing with the outbreak of the coronavirus (COVID-19). The administrative and safety teams have met, collaborated, and developed a detailed plan of action. We recognize that this is an evolving situation and as more information and research is made available, this plan may be revised accordingly. We ask for the full cooperation and consideration of the entire Westmoreland Community for the good of all by following these protocols.

At this time, we are sending Reading, Writing, and Math work for students to complete at home in case there is a need for school to close. **Please keep this work in a safe place at home, just in case.** We will also have this available to you on our school website, along with links to lesson videos for your child to watch.

We will send home an i-Pad for your child to borrow if you are in need of one. If so, please fill out the attached agreement and send back to school with your child by **Monday, March 16th.**

We certainly understand that this is a challenging time for everyone. If you have any questions, please feel free to reach out to me or your child's teacher.

Regards,

Mary Anne O'Connell
Principal, Westmoreland Primary Elementary School
